

PONY EXPRESS PROGRAM

True North Youth Ranch, Inc.

In partnership with local equine rescue programs we have committed to supporting horses that have been recently rescued from slaughter, neglect or unsafe environments. These animals have received veterinarian care and are on the road to good health. We will be offering them a permanent home, or help to place them with their new families.

Our goal is to support 2 or 3 ponies each year at our ranch and continue to improve their health and general training. This will help them prepare for their new life ahead. It is also our desire for each pony to have the personal care and attention that it needs in order to feel safe and loved.

In order for this program to be successful

We will need SPONSORS for each pony that joins us at True North.

Would you consider being a Pony Express Sponsor?

Requirements for Sponsorship:

1. The ability to contribute monthly to the pony expense fund. This will be used for general expenses. (Hay, grain and treats)
2. Provide one new halter and lead rope for each pony coming to ranch.
3. Check the Wish List for the ponies posted at the ranch and/or the website for small needs that may occur; not mandatory, but encouraged.
4. Visit the ranch if possible and build a loving relationship with each pony. Help with chores or participate in grooming, bathing, practicing general skills; not mandatory, but encouraged.
